Pro-life action alert: Ask your MP to vote against abortion up to birth. The abortion lobby, led by the UK's largest abortion provider, BPAS, has worked with Diana Johnson MP to bring forward an amendment to hijack the Police, Crime, Sentencing and Courts Bill to introduce abortion on demand, for any reason, up to birth to England and Wales.

This would be the single biggest change to abortion legislation since 1967 and would leave England and Wales with one of the most extreme abortion laws in the world. We are expecting that this radical proposal will be voted on by MPs this Monday (5th).

Right To Life UK has launched an easy-to-use tool that makes it simple for you to send an **email to your MP asking them to vote against the motion. Please click or type the link below to contact your MP now. It only takes 30 seconds!**

Wisdom of the Saints

Some spiritual maxims of **St. Gaspar del Bufalo**, "Apostle of the Blood of Christ" (1786-1837):

- Do not regret suffering for the sake of souls...
- Precious are the words of the Apostle: 'I am overjoyed in all our affliction' (2 Cor 7: 4), and: 'I could wish that I myself were accursed and cut off . . . for the sake of my own people' (Rom 9: 3).
- Let our whole life be used for the love of that God who loves us so much, that he sent a Redeemer and victim of love for us 'who loves us and washes us in his blood' (Rev 1: 5).
- See how we will effectively apply this healing balm of the Blood of the Saviour, repeating with the Apostle: 'I am completing what is lacking in Christ's afflictions' (Col 1: 24).
- Let us always withdraw in spirit into the Holy Wounds of Jesus Christ Our Lord, and there may we find our rest and our peace.
