Support the Work of Safe Families. We all need a community around us who will be there through thick and thin, all year round. This Christmas, you can give the gift of community and the impact will last a lifetime. Give during the Big Give, between 2-9 December, to see your impact doubled. Together we can connect an isolated and overwhelmed family or care leaver into a loving community this Christmas so that, when the holidays are over and life continues, they can continue to flourish surrounded by a supportive community.
