The Children's Rosary is a relaxed environment, where the children participate to the level they feel comfortable. Free juice and biscuits are available in the hall for the children after Mass.

To little children, St. Louis De Montfort wrote: *"This beautiful rosebud is for you; it is one of the beads of your Rosary, and it may seem to you to be such a tiny thing. But if you only knew how precious this bead is! This wonderful bud will open out into a gorgeous rose if you say your Hail Mary really well."*

### OTHER NOTICES

**Feast of the Holy Family.** Today's feast, on the Sunday within the Octave of Christmas, sets before us the delightful scene of the Holy Family of Jesus, Mary and Joseph, as they began their life together after the birth of our Lord. God was literally at the centre of their life together. But He should be at the centre of that of every family. When the members of a family know and love God, they are empowered to show His love to each other, and that makes the home a little taste of Paradise. May it really be so in all our homes!

**Justice & Peace, Second Collection.** On **Saturday/ Sunday 3<sup>rd</sup>/4<sup>th</sup> January**, the Church's **World Day of Prayer for Peace**, a collection is taken up in all the Scottish Dioceses to support the work of the Church in Scotland for Justice and Peace.

**Crib Offerings:** This year the offerings at our Cribbs will be in aid of The Society of St. Vincent De Paul.

**Prayers at the Turn of the Year.** It's good to remember that the Church offers an indulgence for the public recitation of the *Te Deum* hymn on New Year's Eve (December 31st) as thanks for the past year, and another for the saying the *Veni Creator* on New Year's Day (January 1st) for blessings on the new year, provided standard indulgence conditions (Confession, Communion, prayers for the Pope,

freedom from attachment to sin) are met. *What's an indulgence?* Check out the [Catechism](#) for a short but comprehensive explanation (CCC 1471-1479). 🙏

**From Pope Leo:** "Dear friends, the birth of the Son of God among us calls us to live as children of God. He makes this possible by attracting us through the humility of people such as Mary, Joseph, and the shepherds, whom we encounter from that night in Bethlehem. Yet the beauty of Jesus, and of those who imitate his life, is also rejected, for from the beginning, his magnetic force has provoked the reaction of those who struggle for power, those who are exposed by their acts of injustice because of a goodness that reveals the intentions of their hearts (cf. Lk 2:35). To this day, however, no power can prevail over the work of God. Everywhere in the world, there are those who choose justice even at great cost, those who put peace before their fears, and those who serve the poor instead of themselves. Hope then sprouts, and it makes sense to celebrate despite everything." (Angelus 26.12.25)
